RECEIVE PERSONALIZED FEEDBACK ON YOUR SPIRITS FROM L.A. SPIRITS AWARDS' EXPERT JUDGES

L.A. Spirits Awards' optional *Insights* program gives you access to the expertise of our judges who understand what it takes to create exceptional spirits.

Presented in a customized and informative report, *Insights* is designed to complement L.A. Spirits Awards' regular medal competition. While a medal's primary role is to communicate the quality of your spirits, the report you'll receive from *Insights* provides you with additional feedback and observations that might just give you the edge you seek in a highly competitive market.

Questions answered in the report can include topics such as:

- ❑ What could improve the spirit?
- ❑ What (if any) are the flaws in the spirit?
- ❑ What sets the spirit apart from the others of its kind?
- ❑ What target markets would the product appeal to, and how?

(Examples given are for illustrative purposes. Information will vary.)

Participation in the *Insights* program is available to all products entered in L.A. Spirits Awards' regular tasting competition for an additional fee of \$300 per enrolled product.

For more information, [visit the L.A. Spirits Awards website.](#)
